345 Peat St
Syracuse 13210

RSVP

Johncsmith@jcsmithinc.com

Attendees are welcome to arrive early to take a deeper look at the JC Smith, Inc. store and products on display after 3:30pm.

The following manufacturers will have units on display and reps on site to spend a few minutes speaking with the attendees on their products:

Bartell Global, who specializes in compaction equipment, mortar mixers, blades and more! They are also the certified ground compaction unit for all Techo Bloc installs.

iQ Power Tools, the industry leader in Dust Free Power Tools. The IQMS362 Dust Free Masonry Saw is very popular on Landscapers Jobsites! Who is also the certified dust free saw for Techo Bloc installs.
